

Provost Scholarship

Terms and Conditions, 2022-2023

Award Details

All Provost Scholarship recipients will be held to the terms and conditions of the scholarship detailed herein. The Provost Scholarship is valid fall and spring semesters and will be continued, if renewal conditions are met, for eight semesters across four academic years. The award is valued at full undergraduate tuition for up to 19 hours per semester and will supersede any previous SIUE merit scholarship awarded. It will be credited to the student's university account to reflect the number of hours enrolled each semester.

The Provost Scholarship may be applied at the undergraduate rate to tuition charges in the SIUE School of Dental Medicine, School of Pharmacy or Graduate School. One of the allotted 8 semesters may be applied toward costs associated with an SIUE approved study abroad program up to \$5,000. **Students must pay the [New Student Orientation](#) registration and enrollment fee by May 1 in order to receive the award.**

International students selected to receive the Provost Scholarship will be responsible for the purchase of an SIUE-approved health insurance plan as required by law. In order to obtain the appropriate visa for study in the U.S., international students must provide proof of financial resources to cover the cost of this health insurance plan, as well as all required university fees, housing costs, and living expenses.

Provost Scholarship in Combination with Other Awards & Financial Aid

The Provost Scholarship will be applied to university charges on the student's account such as tuition, fees, housing and meal plan up to the student's cost of attendance. Provost Scholarships will be considered awards to meet financial need in the packaging of financial aid. Should the crediting of the scholarship in combination with other financial aid result in excess funds on the student's account up to the cost of attendance, the excess may be refunded to the student for personal expenses and books. International students are not eligible to combine this award with any other SIUE scholarship or award.

Academic Performance & Student Conduct

Continuance or renewal of the scholarship requires completion of full-time enrollment each semester (minimum 12 credit hours) and a 3.2 cumulative grade point average. Participation in the Honors Program is optional.

For Provost Scholars who remain in the Honors Program, they must meet the general education requirements for Honors Scholars (see [University Policy 1R2](#)) and must enroll in HONS 120 and HONS 121 in fall 2022. For those Provost Scholars who opt out of the Honors Program, they must complete the [requirements for general education](#).

In addition to the renewal requirements for the scholarship, all Provost Scholars must also abide by the [University academic policy](#) as stated in the catalog and student handbook, the [Satisfactory Academic Progress Policy](#) for financial aid and scholarship recipients, and the [Student Conduct Code](#). Scholarship recipients should keep address changes up to date with the University and must check SIUE e-mail often for important announcements.
