

**Susan M. Morgan, Ph.D., P.E.**

**Title:** Associate Dean for Research, ORP; Professor of Civil Engineering

**Institution:** Southern Illinois University Edwardsville

**Email:** smorgan@siue.edu

**Phone:** 618-650-2171

**Web:** none

- 
- 1. What are your current 3 main areas of research?**
    - Stormwater management, including bioretention and green roofs/walls
    - Environmental engineering outreach
    - Waste management
  
  - 2. What are the top 3 areas of expertise/tools you are looking for in a research collaborator?**
    - Pre-K – 12 education and/or educational outreach expertise
    - Hydrologic analysis and/or modeling expertise
    - Chemistry of nutrients and/or metals expertise
  
  - 3. What 3 skills/tools that you have access to are you willing to share with a potential research collaborator?**
    - Collaboration experience with the local environmental engineering community, including MSD
    - Writing and editing skills for proposals and journal articles
    - Environmental engineering laboratory, including field sampling equipment
