

Name, Degree: Jennifer Rehg, PhD Anthropology

Title: Associate Professor

Department: Anthropology

Institution: SIUE

Email: jrehg@siue.edu

Phone: 618-650-3843

Web URL:

1. What are your current 3 main areas of research?

- Primate behavior and ecology
- Tropical ecosystems
- Rainforest conservation

2. What are the top 3 areas of expertise/tools you are looking for in a research collaborator?

- Expertise in working with other animal and plant taxa
- Opportunities for complementary research at local Midwestern sites
- Knowledge of research design and statistics, especially randomization methods

3. What 3 skills/tools that you have access to, are you willing to share with a potential research collaborator?

- Established connections/access to field stations, researchers, and personnel in Peru (possibly other neotropical locations)
- Field equipment (camera traps, GPS units, data recorders)
- Moderate language skills in Spanish and Portuguese
