New Illinois Masks Order

Beginning on May 1, Gov. Pritzker is requiring individuals over the age of two who are able to medically tolerate a facemask to wear a face-covering or a mask when in a public place where they can't maintain a six-foot social distance.

Cloth face coverings should:

- cover your nose and mouth
- fit snugly but comfortably against the side of the face
- be secured with ties or ear loops
- include multiple layers of fabric
- allow for breathing without restriction
- be able to be laundered and machine dried without damage or change to shape

Did Tom the Turtle or Bigfoot get it right?
