

Kaskaskia College
Associate in Arts
THEATER AND DANCE - Dance Emphasis

Completion of an Associate in Arts or Science degree at Kaskaskia College fulfills SIUE’s general education requirements, with the exception of an Interdisciplinary Studies course that all students must take during their junior and senior year at SIUE.

This “Transfer Program Guide” is an **example** of proposed curriculum for students to use while completing their associate’s degree. Reading, writing and math placement could alter the course sequencing and transfer date. Therefore students should begin sequencing their reading/writing (if applicable) and math & science courses during the first semester, paying close attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a KC advisor each semester. Please see “**Important Student Notes**” located on page of two of this transfer guide.

Although a minor is not required for students who complete the Bachelor’s degree for Theater and Dance: Dance Emphasis, it is suggested that students consider a minor. Courses taken at KC to meet KC’s general education requirements (including electives) can be used for the minor. Students should begin planning early for any of these options.
